

Living today in the light of tomorrow

Hebrews 11:22

"By faith Joseph, when his end was near, spoke about the exodus of the Israelites from Egypt and gave instructions about his bones."

Having lived an exemplary life in the midst of family problems, betrayal, imprisonment on false charges and later worldwide fame and power, Joseph's lifeblood is ebbing from his body; yet still he is looking forward to God's promises being fulfilled and making sure that he'll be there at the very centre of it!

Surely we have much to learn from such a God-centered life and death.

Living in the present,
living for the future!
