

## "God has promised"

How confident are you as to what will happen in your life and afterwards?

As a Christian, you should have an overwhelming confidence - not in future circumstances, nor in your own strength to overcome them, but in the God who is sovereign over them.

In His Word, the Bible, God has spoken and promised His children good things. Things we are to believe in, receive, and enjoy; for once He has spoken, what He has said must come to pass.

Where faith hits the street!
