

Full assurance of hope?

Heb 11:4 - "*Full assurance of hope*" could equally well be translated "*entire confidence to anticipate with pleasure*".

How often, as a Christian, have you had doubts as to your salvation, or as to what lies the other side of death?

Both in the Bible and down through the history of the church we find believers performing great feats for their God, only to be drowning in doubt and confusion moments later..

Over and over again in scripture we are exhorted to be sure and certain both of our standing in Christ and of our future because of Christ.

In this series we seek to understand how we can have this full assurance of hope in Christ.

"But I am not ashamed, for I know whom I have believed, and I am convinced that he is able to guard until that Day what has been entrusted to me." 2 Tim 1:12b
